PROFIT ALERT ANNOUNCEMENT

The announcement is made by the board (the “**Board**”) of directors (the “**Directors**”) of Heng Hup Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) in accordance with the Inside Information Provisions (as defined in the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”)) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) and Rule 13.09(2)(a) of the Listing Rules.

The Board wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on its preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 December 2024 (“**FYE 2024**”) and the information currently available to the Board, the Group is expected to record an increase in net profit of approximately 145% to 195% for FYE 2024 as compared to the net profit for the corresponding financial year ended 31 December 2023 (“**FYE 2023**”).

The Group’s net profit growth for FYE 2024 was primarily attributable to a decrease in the cost of scrap ferrous metals, while selling prices remained stable, leading to improved profitability. Higher demand for scrap ferrous metals also resulted in increased sales volume, further contributing to the expansion of the Group’s profit margin compared to FYE 2023.

The Board wishes to emphasise that the Company is still in the process of finalising the Group’s consolidated annual results for FYE 2024. The information in this announcement is based on the Board’s preliminary assessment of current information available to the Company, which has not been audited or reviewed by the auditor of the Company and may be subject to adjustments.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
